

Jake Lindsey

716 Sheridan Ave · Bexley, OH 43209
(614)-562-6565 · jlindsey@kromlte.com

Objective

Full-time student-athlete graduating from Capital University in 2019. Looking for full-time employment immediately after graduation. Interested in primarily front-end computer programming or web development.

Relevant Experience

Application Developer Intern, May 2018 – Aug 2018

Nationwide Insurance – Columbus, OH

- Learned Angular, Bootstrap, Node.JS, and Docker
- Attended the 2018 Hackathon
- Created a SQL query builder
- Helped develop a Hubot for Rocket.Chat and Jenkins
- Learned how to use command-line tools

Systems Architect Intern, May 2017 – Aug 2017

Nationwide Insurance – Columbus, OH

- Learned HTML, CSS, JavaScript, and SQL
- Joined a team of interns and created a storyboard for our work
- Created a developer batch portal for our department, held a training session on its usage, then deployed it to the company
- Can effectively query through a database to find information
- Agile software development

Information Systems Intern, May 2015

White Castle Corporate Headquarters – Columbus, OH

- Learned what servers are and how they work
- Learned how data is exchanged between the server and client
- Built CAT5 cables
- Tested a blade server

Additional Experience

Production Associate, Jun 2014 – Jan 2019

Exhibitpro – New Albany, OH

- Built trade show exhibit booths, managed warehouse storage, and traveled for installs
- Utilized multiple operating systems and technology platforms regarding each individual booth
- Used industry machinery and power tools
- Demonstrated that customers come first by serving them with a sense of urgency
